

# Home Fire Escape Plan Worksheet

**Step 1:** Get your family together and draw a floor plan of your home, marking all windows, doors and smoke alarms.

**Step 2:** Show two ways out of each room in case your main route is blocked by smoke or flames. Make sure windows can be opened easily.

**Step 3:** Agree on an outside meeting place where everyone will wait for the fire department.

**Step 4:** Install smoke alarms in or near every sleeping area and on each level of your home. Test them once a month so you know they're working.

**Step 5:** Practice your plan at least twice a year.

**Step 6:** If your smoke alarm sounds, get out fast! And once out, stay out - don't go back inside for any reason!
